

Wedding Videography Pricing 2018

Your wedding – your choices. No wedding is like another; that is why our video packages are fully customisable. Our basic package includes filming your wedding and our bestseller, the Cinematic Highlight Film. You can customise this package by adding to it whatever other extras (in grey) you like, such as a long video of your ceremony or speeches, or choose all the extras for a discount!

Bridal Preparation – £290

I capture your preparation for the wedding and the first look when your family sees you in your dress. Includes an edited 3 to 9 minute highlight video of your preparation.

Evening Dance Video – £250

I stay as long as necessary into the night to capture the dancing, singing, performance, etc.

Cinematic Highlight Film

£995

Everyone's favourite video.

Lasting between 3 to 5 minutes, this short film allows you to relive all of the best bits of your day! It's even perfect for sharing online with your friends and family. Includes coverage from Ceremony to First dance, along with any other booked packages.

Long Highlight Film – £390

This documentary style film, lasting between 30 minutes to 1 hour, covers everything, from the ceremony to the dancing, including highlights from any other booked packages.

Full Speeches Video – £250

A full video of the speeches at your reception, so you can laugh, cry, and groan all over again.

Full Ceremony Video – £290

A full video of your wedding ceremony, allowing you to re-watch your vows, your readings, and that magical first kiss.
